

Markos Assefa

FULL STACK WEB DEVELOPER

Profile

I'm a passionate **full-stack developer** with a drive for building innovative and scalable solutions! I honed my skills in web development, tackling real-world projects that pushed my coding expertise to new heights. With a **Computer Science degree from St. Mary's University**, I thrive on solving complex problems with clean, efficient code. Skilled in **JavaScript, React, Node.js, and Python**, I'm always eager to learn, adapt, and create impactful technology!
